

IWANIAN GET LESSON IN ART

Crane Emphasizes the Value of Art in Planning a City.

ART IS IN EVERYTHING

Artist Urges Tulsaans Not to Overlook Compliment to the Value of Art in Quest for Beauty.

Tulsaans had their first Kwanian meeting to act. Note the "high value" as personified by the man with the long hair who has a habit of staring to death while walking away at an unapprised distance from art in a higher sense, and yet not so high but that one appreciates it.

Art, common everyday, mat-

terial art, was the subject of the

news of Item Crane of the Art

League of Chicago, at the regu-

lar meeting of the Kiwanis

in the city, delivering a series of lectures at the High School

auditorium under the auspices of

Bushkin Art Club, and was intro-

duced by Mrs. Clara Lightner Frost,

an alumna of the meeting, who is an

active member of the Kiwanis

Art Club.

Art is the ability to perform

arts properly. I have known many

men who were artists at

airline. We use art in everything

we do; we find it everywhere,

is the beautiful in life, that wakes

us up to appreciate better

things" that was the way Mr. Crane

defined his subject.

Especially did he speak emphati-

cally on the importance of art in the

home of every city. Tulsa, he said,

is unusually fortunate in being so

and so new that it need make

mistakes in this respect. Tulsa

do in the beginning what the

great cities have to go back

do years later at considerable

pain.

William Walter Perry furnished

a music on the program and ren-

dered some of his own compositions

on the piano. Jack Porter won the

entrance prize, which was a large

box of chocolates presented by A.

Hunt.

Albert Bell told the

story of a poor boy in a local hospital

whose surgical treatment the

club had offered to stand good, and

that the first member to ask

the privilege would be given the

chance of taking care of the lit-

tle fellow. Christmas this year

Shrewsbury won the privi-

lege over a number of other chil-

dren who yielded their willing-

ness to act as "Good Samaritans"

to the sick boy.

CHURCH IS OVER THE TOP

Baptists Determined To Do Their Part in Campaign.

Washington, Dec. 1.—The Baptists

shattered over \$30,000 over

in giving on the opening day of the

\$300,000 campaign here, some-

thing like \$30,000 having been sub-

mitted here.

The first church which recently

attained the general convention

Baptists in Oklahoma, subscribed

\$800 in 15 minutes on Sun-

day and money is still being

gathered.

The church's quota was

\$150,000.

November Business Unabated.

Washington, Dec. 1.—Un-

ited business activity in Novem-

ber due to general demands for

all stages of production was

noted today in the federal reserve

districts. The eagerness and sustained

capacity of the ultimate con-

sumer was the board's explanation

of continued expansion of whole-

sale retail trade which marked

those districts most affected

by coal and steel strikes.

A Nervous Wreck

For the woman who has be-

come a nervous wreck, be-

cause of physical ill health

or nervousness, there is relief and

restoration to health and hap-

remedy used in his practice

for half a century to help

soothe women and safeguard

young girls.

WOMEN NEED SWAMP ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss

of ambition, nervousness, are often

times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kimerer's Swamp Root physician's prescription obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large sized bottle immediately from any drug store.

However, if you wish first to test

this great preparation send ten cents to Dr. Kimerer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Tulsa World.—Adv.
